

Question 1, 3, 4, 9

Group 8

questions

Q. Where did you live before MDS, and what is one thing you miss about it?

- **Edmund:** I lived in the USA, I only really miss my family and dogs.

Xuan: I have been living in Richmond before MDS. I miss the bubble teas there.

Sicong Deng: I lived in Chengdu, China. I miss the food there.

Q. What made you apply to MDS?

Xuan: I applied to MDS because I would like to take a break from my career and explore more trending topics.

- **Edmund:** I did data engineering for a client at work and wanted to learn more about data.
- **Sicong Deng:** I hope to get a tech-related job in the future.

Q. What is one thing you want to be able to do by the end of the program?

Xuan: I wish I could be able to code in Python.

- **Edmund:** I want to be able to work in Vancouver as a data scientist.
- **Sicong Deng:** Model fine-tuning and agent engineering.

Q. What has surprised you most about your first few weeks here?

Xuan: Workload was insane.

- **Edmund:** The program is very fast paced.
- **Sicong Deng:** Great landscape.

Edmund Yong (yongez)

The image shows a screenshot of a code editor with a dark theme. The editor has a tab at the top labeled 'index.qmd'. The main text area contains a presentation script. It starts with a title 'Question 1, 3, 4, 9' and an author 'Group 8'. The script is a Reveal.js presentation, indicated by the 'output: revealjs::revealjs_presentation' line. The content consists of several questions and answers. The questions are marked with '## Q.' and the answers with '- **Edmund**:'.

```
index.qmd > Q. What has surprised you most about your first few weeks here?
